

PRE-DBA PROGRAMME

OVERVIEW

Preparation for a successful Doctor of Business Administration (DBA) application

The Programme

The Doctor of Business Administration (DBA) Degree is a widely recognised and attractive professional doctorate degree in Business and Management. Equivalent to a PhD but usually incorporating more taught modules and practical training. Our course consists of workshops and one-to-one lessons, which will help you to produce a DBA proposal on a topic that is of value to your organisation.

By the end of the course, you will have:

- ▶ Have developed their understanding of different aspects of research methods
- ▶ Have developed language and communication skills in an academic context
- ▶ Have developed a range of skills to successfully apply for DBA study at universities in different countries
- ▶ Have completed an appropriate and viable research proposal
- ▶ Be able to defend the proposal at an interview

WHAT YOU WILL STUDY

Workshop topics include:

- ▶ Academic English
- ▶ Communication and presentation skills
- ▶ Academic rules, skills and processes
- ▶ Initial research into universities and suitable research topics
- ▶ Literature review searches
- ▶ Quantitative and qualitative research methods
- ▶ Developing research questions and objectives
- ▶ Research methodology and design
- ▶ Preparing a CV
- ▶ Defending your proposal at an interview
- ▶ Preparing a DBA application

Progression to DBA Programmes

- ▶ The course will also help you apply to DBA programmes
- ▶ It will help develop your CV and prepare you for the interview which universities will conduct prior to offering you a place

Entry requirements

- ▶ Academic qualifications which meet university requirements for DBA study, typically these will include a Master's degree and an English language level equivalent to 6.0 or 6.5 IELTS
- ▶ Additional English language support is available
